Dear Mr. Kulkarni,

Thank you for confirming receipt of 460 units of Brake bracket BB-210 under Challan CH-118 on 20-04-2026.
As discussed, our induction furnace was under scheduled maintenance, so the balance 40 units were held up.
We confirm that the remaining 40 units are on backorder and will be dispatched by 10-05-2026 without fail.

Regards,
Rakesh Sharma
